

# AMARILLO SYMPHONY

Ellis Island: The Dream of America  
Dr. Mark Bartley, Associate Conductor  
January 6 & 7, 2010  
Globe-News Center for the Performing Arts

## CONCERT OVERVIEW

The United States is a nation of immigrants. A melting pot of people bringing diverse languages, cultures, and arts to a common land to share in a combined experience: the American experience. *Ellis Island: The Dream of America* reminds us all of our nation's immigrant roots. This story is told by the compelling score of composer Peter Boyer.
